# STUDENTS SURVEY

*Don't just trust the teachers, hear it from our former students!*

*These answers were collected anonymously.*

On a scale from 1-5, students gave the course a 5-star feedback.

90% students learned more than they expected.

❖ **Would you recommend this course to a younger student?**

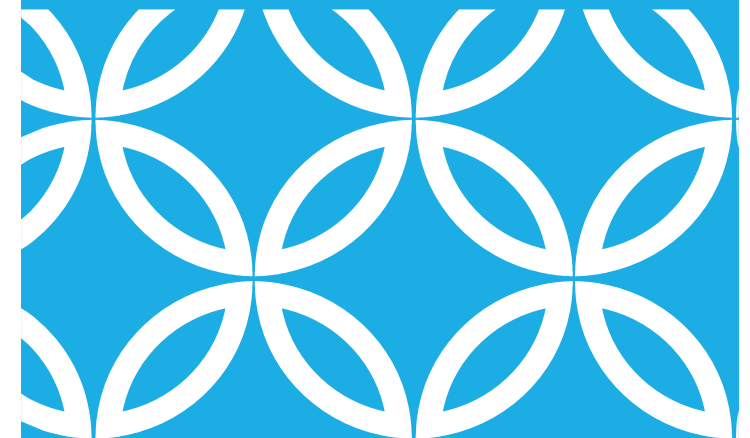

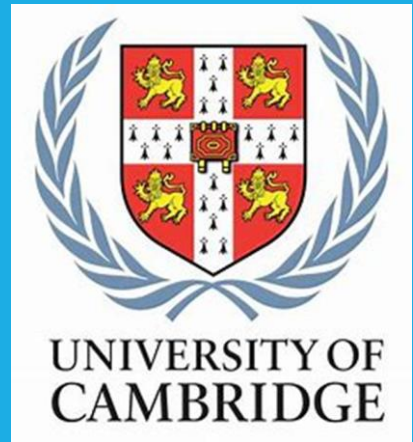

**In your opinion, what type of students should consider this course?**

Answer 1: “Yes! Everyone with the slightest motivation to improve. You learn more than in normal English lessons and it is more fun.”

Answer 2: “Yes, I would recommend this course for anyone who already has good English skills, but wants to improve even more. One should enjoy speaking English outside of school. It’s a great course because it’s only for yourself so that you can achieve your goals but without the pressure of competition or grades.”

Answer 3: “Absolutely, it’s for anyone who wants to have fun with the English language and seeks to improve their communication and writing skills.”

# FEEDBACK FROM FORMER STUDENTS

Please state three things that  
you really liked about this class:

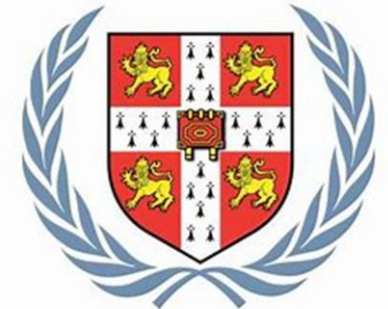

Student A:

- . Learning about common mistakes and new concepts I had never thought about.
- . Great atmosphere (Everyone was encouraged to do their best)
- . Help & feedback with anything needed (speaking, writing...)

Student B :

- . Talking about synonyms: so useful in everyday life
- . The atmosphere
- . The way we were prepared for the exam: The tips and tricks the teacher told us were very useful.
- The teacher has positive energy. It was nice to learn the English used outside of school instead of the "German school English".

UNIVERSITY OF  
CAMBRIDGE

Student C :

- . Not like normal school, more relaxed
- . Speaking English with my friends
- . Having fun studying English.

# REFLECTION

Here is what students thought after finishing the course:

*“ I think you created a safe space for everyone to learn but also have fun. You clearly know what you are talking about and motivated us to get to the level we could reach.”*

*“ I really liked the way you motivated us and always told us that we do the exam for ourselves and not for you or anybody else. It was well structured even when we moved to digital learning because of COVID-19. I felt prepared to take the exam.”*

*“I was never afraid to say something.”*

# YOU CAN DO IT!

Last year, all students from LMG excelled:  
12.5% received a C2

87.5% received a C1

Both are university-level scores that are extremely advantageous for higher education and the job market.  
**Your efforts and your investment will pay off!**
